3RD PARTY AUDIT STATEMENT

WP Innova has standard operating procedures in place to ensure consistent and reliable manufacturing of the products. These standard procedures of continuous monitoring of the conformation of quality and production standard procedures are reviewed periodically in our internal auditing process to ensure the most effective standards are in place. Therefore, WP Innova does not participate in third part audits to ensure product standards are met.

Please contact your sales representative if you have additional questions.

A handwritten signature in black ink, appearing to read 'Viktor Kim', is positioned above the printed name.
