

January 2026

LETTER OF CONTINUING GUARANTEE

All WP Innova Industrial Stretch Films in the following categories

- LLDPE: Machine, Hand, Banding, Auto-Banding
- PVC: Laundry Film, Seedling Wrap

Excludes:

Seedling Wrap Bio
Coloured and tinted films
UVI Films
DSF (dissipative films)
VCI Films

Our raw material suppliers have certified that the resins used to make all WP Innova's films with the exceptions listed above, meet FDA Food Additive Regulation 21 CFR 177.1520 par(c) 3.1. This regulation states that the polymer can be used in all food packaging applications, except holding food during cooking.

WP Innova hereby certifies that the films sold to the original buyers are not adulterated nor misbranded as outlined in section 409 of the United States Federal Food, Drug, and Cosmetic Act with the exception of the films noted above.

Please contact your sales representative if you have additional questions.

A handwritten signature in blue ink, appearing to read 'Viktor Kim'.
