ANOTHER INNOVATION FROM WP INNOVA

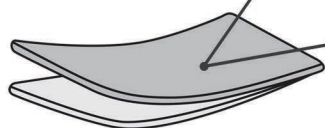

# BOA BANDED FILM

GET A **GRIP** ON YOUR CONTAINMENT ISSUES  
WITH **BOA** BANDED STRETCH FILM!

**EXTREME CONTAINMENT SOLUTION FOR SUPER HARD TO PACK PRODUCTS SUCH AS D-TYPE LOADS**  
D-type loads are products that require extreme containment force and puncture resistance such as, liquids that move during transit, ultra-heavy products like brick and block, slippery products such as bagged pet foods and building materials (sand, concrete).

Multi-layer lamination  
heavier gauge film bands  
for strength and  
tear resistance

**Reinforcing Bands THAT OFFER**

**Maximum STRENGTH &**

**CONTAINMENT**
