## **PFAS STATEMENT**

All WP Innova's Airflow Vented films are not expected to contain Perfluoroalkyl and Polyfluoroalkyl (PFAS). PFAS substances are not intentionally added to resins, package, or packaging component during the manufacturing process. We do not specifically analyze for the presence of these substances in the product; therefore, we cannot guarantee the absence or level of these substances to any specific limit or threshold value.

Please contact your WP Innova sales representative if you have additional questions.
